Cases 22-RC-13139

Dear Ms. Dichner:

This will acknowledge receipt of your request to extend the time to file answering briefs to March 28, 2011 in the above proceeding.

Under the current briefing schedule, exceptions are due on February 28, 2011. Until exceptions are actually filed it would be premature to grant an extension to file answering briefs. Accordingly, your request for an extension to March 28, 2011 will not be granted at this time. You may renew your request when and if exceptions are filed.

Very truly yours,
